BOIL WATER ADVISORY RESCINDED

The North Brunswick Sanitary District has rescinded the April 22, 2008 boil water advisory issued to customers in the North Brunswick Sanitary District in Brunswick County.

Bacteriological analysis results of drinking water samples collected recently from this Water system show no coliform bacteria present. The system has resumed normal operations.

This advisory is hereby rescinded the 24 day of April, 2008 by:

Milton Russ Lane
North Brunswick Sanitary District
(910) 371-9949

and

Public Water Supply Section
