PRESS RELEASE

Date: April 23, 2009

FIRE IN HORRY COUNTY

A major fire started in the North Myrtle Beach area yesterday morning. The fire is currently not contained, and is blowing heavy smoke and ash into all Brunswick County coastal areas. No reports of fire in Brunswick County exist at this time. The fire is expected to continue to blow smoke into regions of Brunswick County through the afternoon and into the evening with the possibility of becoming more severe as Southwesterly winds may pick up.

Brunswick County Emergency Services is advising all citizens in coastal areas especially those with asthma or respiratory problems to keep your windows closed, and if it all possible remain indoors. If you need assistance, please do not hesitate to call 911 or Brunswick County Emergency Service's office at 910-253-5383.
