Press Release

BSRI is a 501(c)(3) organization dedicated to providing a myriad of needed services to senior adult residents in Brunswick County.

Bolivia, NC.

BSRI wishes to announce the impending opening of the Brunswick Center at Southport. The construction process on the 13,100 square foot facility is now expected to complete within 3 to 5 weeks.

Upon Brunswick County gaining ownership of the facility BSRI will be responsible for equipping and operating it. To that end contributions from individuals, foundations, corporations, civic clubs, etc. are now being urgently sought.

At this time, BSRI is happy to acknowledge its gratitude to the Cape Fear Memorial Foundation for its recent generous grant award in the amount of \$80,000 to be used in outfitting the kitchen area of the new Center. That grant is all the more significant and appreciated when prevailing economic conditions are considered.
