TOWN OF BELVILLE UNDER TROPICAL STORM WATCH; TOWN BRACES FOR POSSIBLE HURRICANE

Belville – The National Hurricane Center has issued a Tropical Storm Watch for Coastal North Carolina, including the Town of Belville. Residents are advised to stay tuned to local radio and television stations for the latest information.

Mayor Jack Batson and the Belville Board of Commissioners request that all residents, property owners and boating interests begin to make preparations in securing their property.

In the event that the National Hurricane Center upgrades this information to a warning, additional information will be released via radio and television stations.
