2. Notwithstanding the provisions of subsection (a), if the authority to issue a particular zoning or special use, building, or variance permit or approval has been delegated by ordinance to a board, committee or administrative official other than the Town of Belville Board of Commissioners, Planning Board or other planning agency designated to perform any or all of the duties of the Planning Board, in order to obtain a zoning vested right, the applicant must request in writing at the time of application that the application be considered and acted on by the Town of Belville Board of Commissioners or Planning Board, following notice and a public hearing as provided in G.S.160A-364.
3. In order for a zoning vested right to be established upon approval of a site specific development plan, the applicant must indicate at the time of application, on a form to be provided by the Town of Belville, that a zoning vested right is being sought.

6. Nothing in this chapter shall prohibit the revocation of the original approval or other remedies for failure to comply with applicable terms and conditions of the approval or the zoning ordinance.

14.4 Duration

1. A zoning right that has been vested as provided in this chapter shall remain vested for a period of one year. This vesting shall not be extended by any amendments or modifications to a site specific development plan unless expressly provided by the approval authority at the time the amendment or modification is approved.
2. Upon issuance of a building permit, the expiration provisions of G.S. 160A-418 and the revocation provisions of G.S. 160A-422 shall apply, except that a building permit shall not expire or be revoked because of the running of time while a zoning vested right under this section is outstanding.

A zoning right that has been vested as provided in this chapter shall terminate:

1. at the end of the applicable vesting period with respect to buildings and uses for which no valid building permit applications have been filed;
2. with the written consent of the affected landowner;
3. upon findings by the Town of Belville Board of Commissioners, by ordinance after notice and a public hearing, that natural or man-made hazards on or in the immediate vicinity of the property, if uncorrected, would pose a serious threat to the public health, safety, and welfare if the project were to proceed as contemplated in the site specific development plan;
4. upon payment to the affected landowner of compensation for all costs, expenses, and other losses incurred by the

landowner, including, but not limited to, all fees paid in consideration of financing, and all architectural, planning, marketing, legal, and other consultant's fees incurred after approval by the Town of Belville, together with interest thereon at the legal rate until paid.
